## Shanlin Dist.

As Shanlin District is the major production area of gourds and bamboo shoots, the locals use gourds as a material for artistic creation. Related carved artworks can be appreciated in detail in Shin Juang Elementary School's Gourd Sculpture Museum. The people of Siaolin Village, who had to relocate due to Typhoon Morakot, settled down in Shanlin District. Next to it is the Yonglin Shanlin Farm, where the organically grown crops are the result of the locals' tireless efforts and learning of organic farming techniques.

## Yonglin Sanlin Farm

To help the locals who lost their jobs due to Typhoon Morakot in 2009, the Yonglin Foundation of the Foxconn Group built the Farm. The goal is to teach the locals organic farming techniques through a professional team.
